The Floral Collection, shown in the "Romantics" version, offers vintage classic designs with a selection of contemporary finishes. The three dimensional Flower inspired finials are hand-finished by skilled craftsmen all here in Britain. The collection is available in a selection of eight colour-ways. We have created a palette of colours that will accommodate an array of possible permutations and interiors, with stunning designs.

Our curtain poles, brackets and rings are produced using the finest timbers and all hand-finished at our workshop. This collection incorporates the functional with the beautiful, resulting in a truly inspired and unique collection of designs and finishes. Each item can be mixed and matched to create a stunning window treatment, evoking a feeling and a look of a timeless classic.....
