Curtains and
Roman Blinds

SIMPLY™

Sapphire Ivory Curtains

Simply Curtains and Roman Blinds
is a carefully curated collection
of beautiful plains, textures and
prints designed to inspire.

With 364 fabrics to choose from, our
made-to-measure Curtains, Roman
Blinds and Cushion Covers will add the
perfect finishing touch to your home.

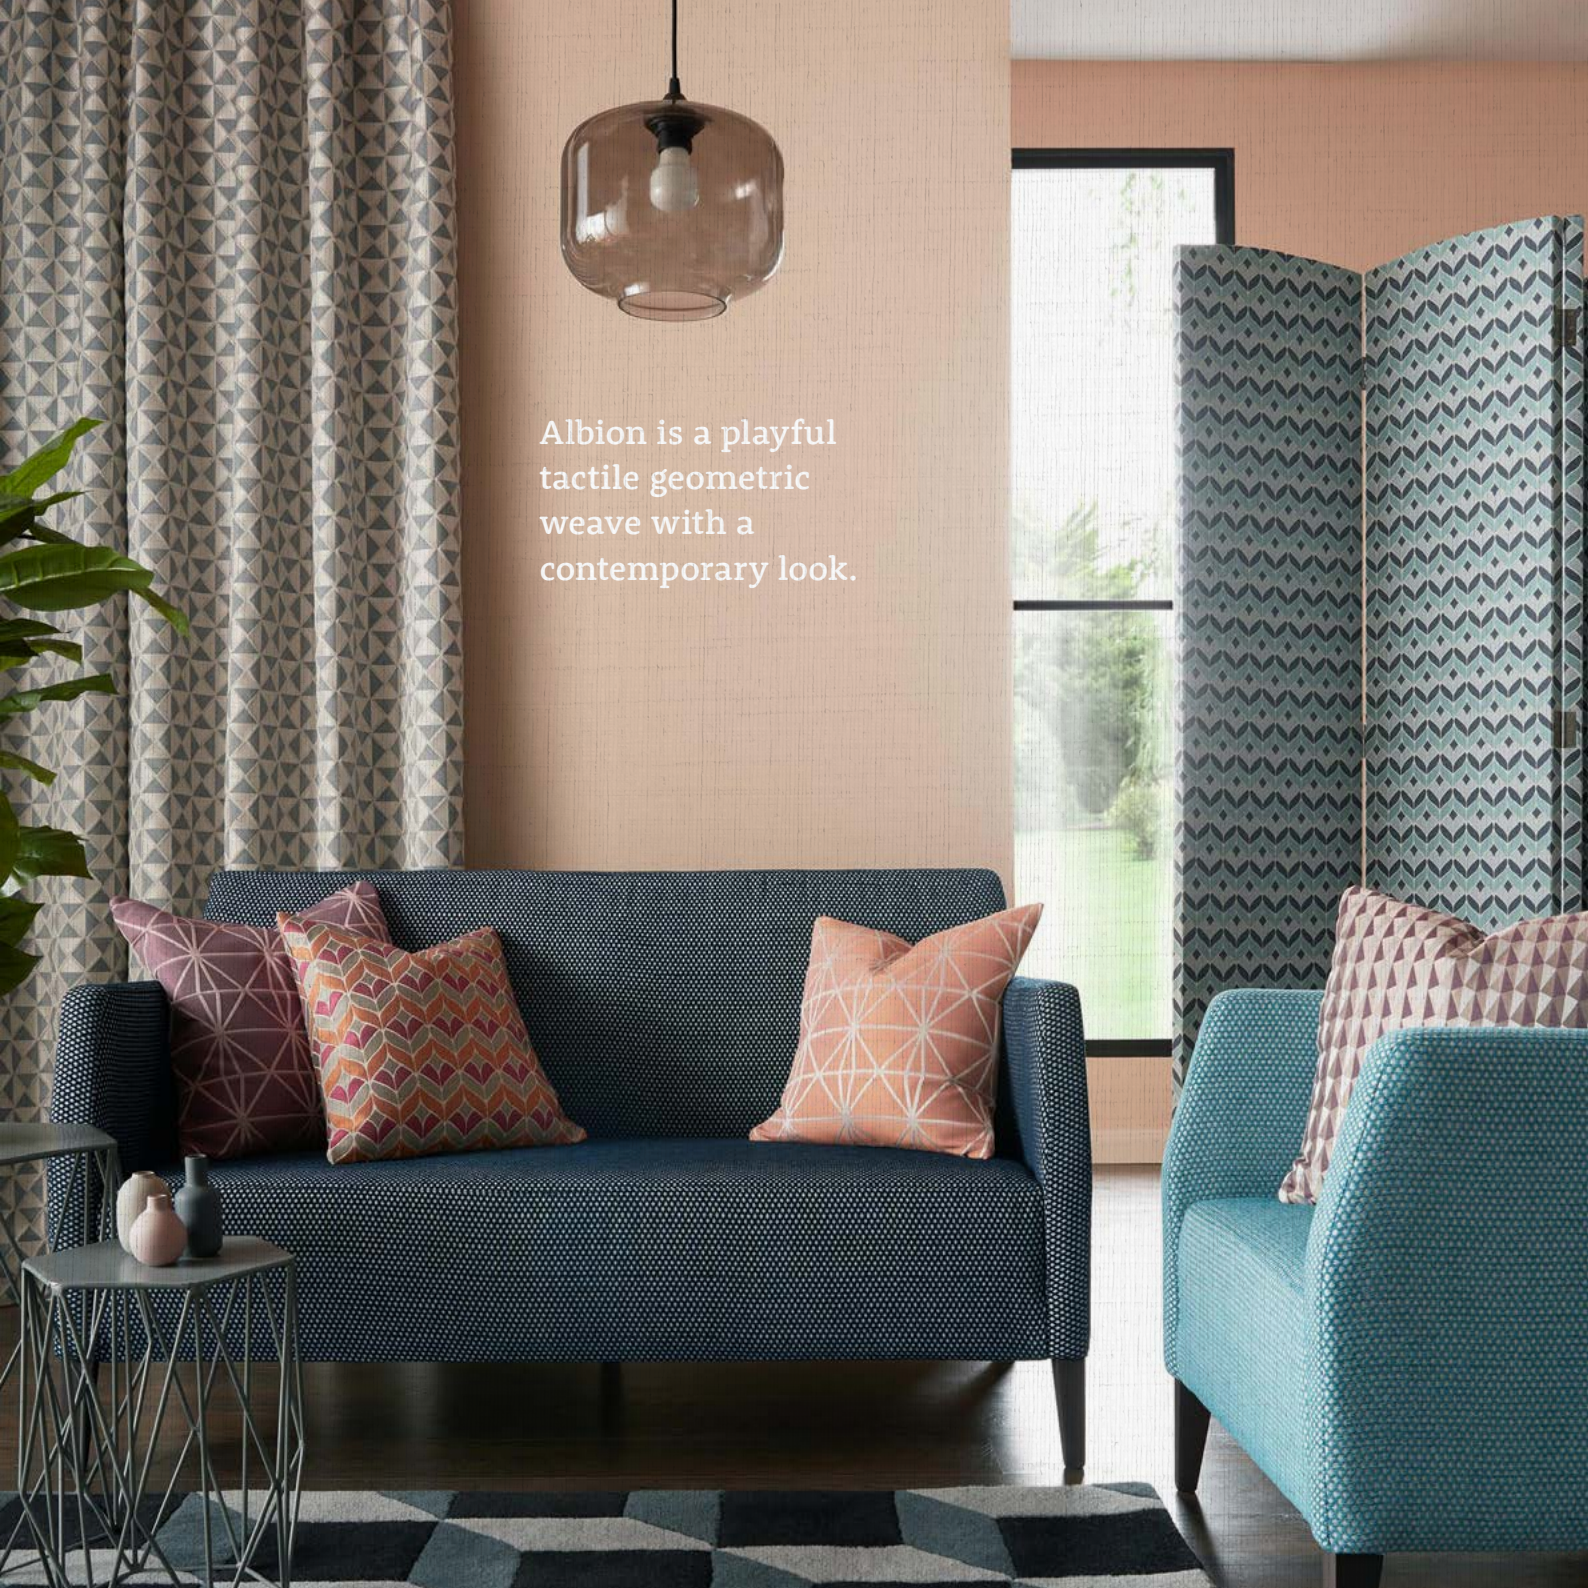

Simply Roman Blinds are available in a choice of headings. The EVO Cassette system gives a sleek contemporary finish and can be covered in matching or contrasting fabric. Alternatively it can be left uncovered in a choice of 3 metal finishes, white, silver or anthracite.

Mila Rust Roman Blind

The delicate sprig silhouette of Kalina Silver is beautifully complemented by the modern linear texture of Vaughan Zest.

Albion is a playful
tactile geometric
weave with a
contemporary look.

The stylized leaves of
Estere Ink combine with
the delicate trailing
stems of Alber Seafoam
to create an intriguing
and eclectic look.

Inspired by delicate ginkgo leaves Odin Terracotta adds warmth and detail at the window as Roman Blinds and Curtains.

The botanical weave of Lantana Rose Gold is perfect for creating a tranquil living space with a sophisticated colour palette. Inspiring imagery combines with warm earthy tones to produce a classic country aesthetic.

Paradiso Berry is a striking photographic style digital print in beautiful plum and pink tones. Perfectly complemented by luscious full length velvet Celeste curtains in Amethyst.

The vibrant and exciting base colour of Estelle Sunflower contrasts with the neutral trailing leaves to bring sunshine to any interior scheme.

Holte Aqua is a bold
geometric in contrasting
teal hues. This tactile
weave creates a textured
contemporary look, perfect
for any modern home.

This bold, multi-
is a contempora
classic mo

Monochromatic geometric
Every statement in
monochrome.

MOTION

MOTORISED BLINDS MADE SIMPLE

Have you ever considered the benefits of motorised window coverings? It is the little comforts that make everyday life easier and MOTION™ does just that. MOTION™ motorised blind system can be operated from anywhere, in any way: from home with pull, remote and voice control and from anywhere else in the world using the MOTION™ app. Anyone can do it, motorisation has never been simpler.

CONTROL OPTIONS

This wide range of control and connectivity options for window coverings offers the possibility to make the home a more convenient, energy efficient and a safer place.

Pull Control
Manually override remote control options with a simple pull.

Remote Control
Operate blinds with the press of a button on a one, five or fifteen channel remote.

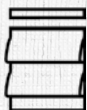

App Control
Manage and automate your blinds through the MOTION™ app, at home or anywhere in the world.

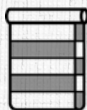

Smart Connectivity
Seamlessly connect MOTION™ blinds with smart speakers and home building applications.
